ASCE/ASHE Student Poster Session

The poster competition is a part of the Annual ASCE/ASHE Conference on Friday September 9th. Students are invited to create a poster presenting a topic of their choosing relating to Civil Engineering.

ASCE/ASHE will sponsor up to ten (10) students who are presenting posters from each school. Up to two (2) students per poster. However, if one school does not bring their ten the committee would entertain other schools bringing more. This is done on a first received basis so please RSVP to Mark Lamer at Mark.Lamer@nau.edu as soon as possible.
