# 2012 Engineers Week MALL DAY

## Engineers turn dreams into reality

The purpose of National Engineers Week is to help increase public awareness and appreciation of the engineering profession. National Engineers Week was founded in 1951, by the National Society of Professional Engineers. It's always celebrated at the time of George Washington's birthday. Our nation's first president was a military engineer and a land surveyor.

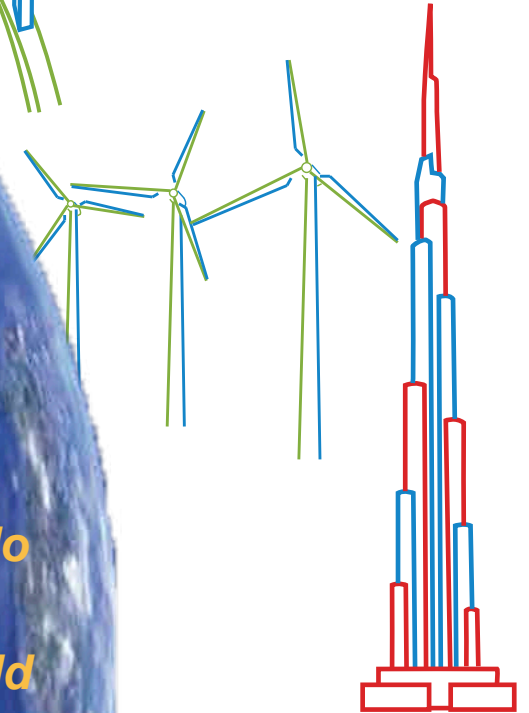

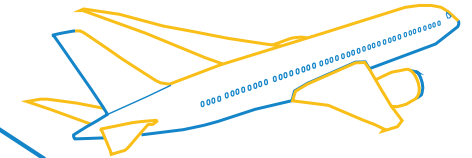

10 AM to 2 PM at

OUTLETS, ENTERTAINMENT & MORE

- *Hands on activities*
