

2020 BTC Academic Scholarship

The Bridge Technical Committee (BTC) is a technical subcommittee of the Arizona Society of Civil Engineers (AzSCE). The mission of the BTC is to provide the opportunity for owners, consultants, contractors, and students to participate in regular structured discussions on technical issues related to the design, construction, fabrication, testing and maintenance of bridges within Arizona. The BTC also strives to bring awareness to students pursuing the specialty of structural engineering within the broader field of civil engineering.

The purpose of the BTC Scholarship is to motivate and reward students who demonstrate excellence in civil engineering studies at state universities in the State of Arizona* and who express an interest in pursuing a career in the design or construction of structures.

The Scholarship is for upper class (Junior and Senior) and graduate students in the amount of \$750. One scholarship will be awarded. The minimum criteria for selection are as follows:

- a. GPA of 3.0 or higher.
- b. 2020 Junior or Senior currently enrolled in and continuing enrollment into fall 2020 in an undergraduate degree program, or a graduate student, with an emphasis in structural engineering.
- c. Plans to pursue a career in a structures-related field. *Special consideration will be given to applicants that have specific interest or experience related to bridges.*

Applications must be submitted electronically (Word or Adobe PDF format). Scholarships are competitive and based on the applicant's specific goals, academic record, and engineering-related activities or job skills.

Please email the completed application to:

Angela Galietti - Bridge Technical Committee Secretary
angela.galietti@wsp.com

Applications must be received no later than April 1, 2020.

The scholarship recipient will be determined in April 2020 and announced at a regularly scheduled BTC lunch meeting in May (attendance is highly encouraged but not required). Funds will be disbursed in the fall 2020 semester.

**The scholarship is open to the three State of Arizona universities (NAU, ASU, U of A).*
